Northern California 2006 Super Lawyer

Heidi A. Timken

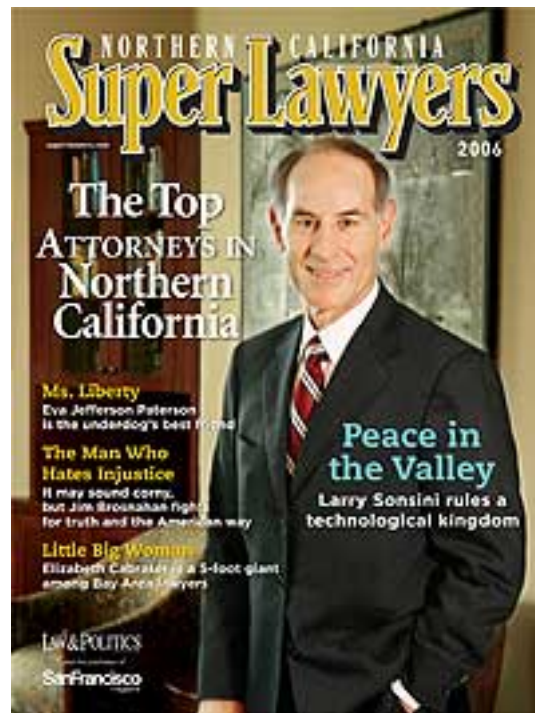

Heidi A. Timken recently founded Timken Johnson Hwang LLP to provide, in part, more

opportunities to do what she does best -- stand in the courtroom and put on the best real estate show in town. Timken practices trial advocacy at its intellectual peak, using innovative high-tech methods. She is known not only for the superb quality of her analysis, preparation and advocacy skills, but also for conducting her practice with grace, humor, collaboration,

Practice Areas:

- **Business Litigation**
- **Real Estate**

As featured in:

Super Lawyers names Northern California's top lawyers as chosen by their peers and through the independent research of Law & Politics. 2006 Northern California Super Lawyers is

and consideration for all involved, whether it be the client, the judge, or the opposing parties. Timken specializes in eminent domain law. She and her two partners started their careers at Miller, Starr & Regalia, bringing a combined 50-plus years of real estate law experience to their new firm.

based on surveys of the approximately 47,000 active lawyers across the northern part of the state. The goal was to select as Super Lawyers the top 5 percent of Northern California attorneys in more than 60 practice areas. Northern California Super Lawyers is published annually in the August issues of *San Francisco Magazine*, which reaches more than 400,000 monthly readers, and *Northern California Super Lawyers*, which is distributed to more than 60,000 Northern California attorneys.
